

BARDSTOWN BOURBON 2026 DISCOVERY

FINISHED IN HAND-HARVESTED
GARRYANA OAK BARRELS FROM
OREGON WITH A CUSTOM 3-HOUR
TOAST.

THE PRODUCT

Bardstown Bourbon 2026
Discovery blends three bourbons
aged 7, 10 and 11 years, which
were then rested for four months
in garryana oak barrels. Each
barrel was custom-made and hand-
toasted for three hours by Oregon
Barrel Works to unlock additional
layers of spice and complexity.
Summer aging was chosen for
maximum extraction, and the
whiskey was then gradually
proofed before bottling.

ARTWORK

By Margaret Archambault

TASTING NOTES

Layers of decadent, toasted oak are supported by burnt sugar and baked apple cobbler. The balance continues on the palate with dried cherry and cinnamon bark, leading to a long, warming finish accentuated by the rare garryana oak flavor.
